

Report of Doctoral Dissertation Prospectus

The student must successfully complete the doctoral comprehensive examinations and the results must be on file with the Graduate College before the submission of the dissertation proposal/prospectus results. The student will be advanced to candidacy after successful completion of the dissertation proposal/prospectus.

Instructions:

1. The student completes Part I, enters the date in Part II, and types the committee names in Part III.
2. Student brings the form to the prospectus.
3. The committee completes Part III by signing the form and indicating their votes for pass or fail.
4. The student submits the form their Graduate Advisor.
5. The head of the academic unit completes Part IV by signing the form, signifying that the proper procedures have been followed.
6. The Graduate Advisor enters the results in the iPOS.

All results, including failure of the dissertation prospectus, will be reported. Failure in the dissertation prospectus is considered final unless the head of the academic unit recommend and the Dean of the Graduate College approve a second proposal defense. If approved, the student must submit the new prospectus by the end of six months.
