Engineering Management Minor and Concentration

Core Courses

- IEE 220 (3)* Business/Industrial Engineering
- OR
- IEE 380 (3)* Probability and Statistics
- IEE 458 (3) Project Management (Spring only)
- IEE 431 (3) Engineering Administration (Fall Only)
- IEE 300 (3) Economic Analysis for Engineers

Elective Courses (Pick two)

- CSE 110 (3) Principles of Programming Java
- CSE 205 (3) Object-Orientated Programming
- MAT 242 (2), MAT 342 OR MAT 343 (3) Linear Algebra
- IEE 381 (3) Lean Six Sigma
- IEE 412 (3) Intro to Financial Engineering
- IEE 454 (3) Risk Management
- IEE 474 (3) Quality Control
- IEE 456 (3) Simulating Stochastic Systems
- IEE 369 (3) Work Analysis and Design

*Students in non-engineering majors who are not required to take IEE 380 should plan to take IEE 380 for their minor or concentration

NOTE: ASU Online students must take IEE 380 versus IEE 220
